Question:

How do I qualify for a discount on my auto & homeowners or renter's insurance?

Answer:

The easiest way to qualify for a discount on your auto, home and renter's policy is to have your policies with the same carrier.

For those of you that don't, you could be missing out on a few hundred dollars in savings every year. With today's economy, every dollar can count. At Provident, we can find the carrier that will give you the best coverage at the best price, and make sure that you get all the discounts for which you qualify.

Renters also can qualify for a discount if they have their renter's and auto insurance with the same carrier. In some cases, the discount received on the auto policy can be large enough to pay for the renter's policy.
